Many travelers assume that missing a United flight means losing everything, but that's not always the case  +1-(817)-761-(5466). United's Missed Flight Policy Explained

United doesn't have one uniform policy for missed flights  +1-(817)-761-(5466). Instead, it varies based on the timing of your arrival, your fare class, and the reason you missed the flight  +1-(817)-761-(5466). Here's what typically happens when you miss your United flight:

1. The Flat Tire Rule (Unofficial Courtesy Policy)

Though United doesn't officially advertise it, many airlines, including United, offer leniency if you miss your flight due to uncontrollable circumstances 🛫 +1-(817)-761-(5466). If you arrive at the airport within two hours after your scheduled departure time, United may:

- **Rebook** you on the next available flight 🛫 +1-(817)-761-(5466).
- Waive **change fees** 🛫 +1-(817)-761-(5466).
- Only charge **fare differences**, and sometimes even that's waived 🛫 +1-(817)-761-(5466).

This "Flat Tire Rule" isn't guaranteed, but United agents often apply it when reasons like traffic, weather delays, or long security lines cause you to miss your flight 🛫 +1-(817)-761-(5466). Being polite and explaining the situation helps in these cases 🛫 +1-(817)-761-(5466).

🌐 2. If You Miss Your Flight and Arrive After Departure

If you show up after your United flight has already left, here's what typically happens:

- **Rebooking** on the next available flight 🛫 +1-(817)-761-(5466).
- Placing you on **Same-Day Standby** (depending on availability) 🛫 +1-(817)-761-(5466).
- Charging a **fare difference**, based on your ticket class 🛫 +1-(817)-761-(5466).

If you booked a **Basic Economy** ticket, your options may be more limited, and rebooking might not be available 🛫 +1-(817)-761-(5466).

3 If You Don't Contact United (No-Show Policy)

Failing to show up for your flight without notifying United is considered a **no-show**, which can lead to serious consequences:

- Your **entire itinerary may be canceled** 🛫 +1-(817)-761-(5466).
- Any remaining flight segments could be forfeited 🛫 +1-(817)-761-(5466).
- **Refunds** are typically not given for no-shows 🛫 +1-(817)-761-(5466).

To avoid this, be sure to call United or use their app as soon as you know you'll miss your flight 🛫 +1-(817)-761-(5466).

United Same-Day Standby & Same-Day Confirmed Options

If you missed your flight, here's how you can still catch a flight:

- **Same-Day Standby:** If you want to catch another flight the same day, you can request to be placed on **standby** for no additional fee  +1-(817)-761-(5466). Keep in mind that availability is not guaranteed and your priority is based on your ticket class and loyalty status with United  +1-(817)-761-(5466).
- **Same-Day Confirmed:** If your fare allows for changes, you may be able to confirm a seat on a later flight by paying a small fee or covering any **fare difference**  +1-(817)-761-(5466). Elite Medallion members often have these fees waived  +1-(817)-761-(5466).
